Important Policy Notes

- Students may only use one device within the network at a time
- All computers must have virus/malware protection installed and turned on.
- OSC technicians do not support Chromebooks, iPads, or handheld devices.
- Students are required to have installed an OSC web certificate and Impero Classroom software. Both applications will be installed by OSC technicians at the start of the school year.
- Individual classes may require additional software that OSC technicians will install.
- All operating systems MUST be in English.
