

SCHOLARSHIP PROGRAM

The Overseas School of Colombo (OSC) celebrates its 60th anniversary in 2017 and is the oldest school in Sri Lanka to offer an international education. The OSC provides an exceptional education to students from both the international and Sri Lankan communities enabling them to gain acceptance to top universities from around the world.

STUDENT BENEFITS:

- Become Active Learners
- Obtain a world-class recognized education aimed at developing the whole student
- Achieve University preparation through an inquiry-based approach for rigorous learning
- Procure a Globally recognized International Baccalaureate Diploma that is accepted by competitive universities worldwide
- Engage in community service which fosters a sense of responsibility and commitment
- Be part of a true international community and develop a common bond with students from all over the world

"The International Baccalaureate Diploma is regarded as more academically challenging and broader than taking three or four A-levels. The university admission service counts the top IB score as equivalent to six A grade A-levels." - Guardian Newspaper 2011

ELIGIBILITY:

- The Scholarship Programme* is available to Sri Lankan nationals between the ages of 14 – 18 years who exhibit exceptional academic ability together with demonstrated leadership skills and the ability to contribute meaningfully to our communities
- Potential for success in the IB Programme will be assessed including commitment to studying a broad range of subjects and enthusiastic involvement in the Creativity-Action-Service programme
- Offers of scholarships will be made on the basis of past academic results, entrance examinations and a formal interview

**Scholarship students pay only their current school fees, if no fees are currently paid, tuition fee is waived*

Closing date for applications: 15 March 2017
