

AWARD OF SCHOLARSHIPS 2018

The Overseas School of Colombo is the oldest school in Sri Lanka to offer an international education. It provides an exceptional education enabling students to gain acceptance to top universities in the world.

The school's scholarship programme seeks highly capable students with a desire for personal growth through academic rigour and development of critical thinking and leadership skills.

The selected students will be able to;

- Follow the globally recognized International Baccalaureate Diploma that is highly accepted by competitive universities worldwide.
- Engage in a range of extra-curricular activities which encourages student-initiated projects.
- Compete in the inter-schools sports competitions in the South Asia region.
- Be part of a true international community and develop a common bond with students from all over the world.

The scholarships are available to Sri Lankan nationals between the ages 14 – 18 years, who exhibit exceptional academic ability and the flair and willingness to contribute to the community.

Closing date for applications: 05 March 2018
